

## REMARKS

In response to the Office Action and several telephone calls to and from the Examiner, applicant has canceled claim 1 and entered new renumbered claims 2 and 3 (previously submitted as numbered 1 and 2 respectively).

5 The invention defines over the art as per the new claims. See the discussion submitted on pages 6 and 7 of the Amendment dated 10/07/2005 under the heading "Overview of the invention".

Accordingly, reconsideration of the application is respectfully requested.

Respectfully submitted,  
Roger Wilcox et al
